SEE THE VISION OF  
RISING LIGHT RIDGE™

A place where...  
**REAL. LOVE. RESIDES.**

**The Tim Tebow Foundation is creating a place that is One-of-One for the One-of-One.**

Imagine a place where people who have been broken and isolated by disability, trauma, abuse, and challenging life circumstances were confident they would be welcomed and not rejected.

**Loved and not discarded.**

Rising Light Ridge is a year-round Ministry Campus where the heartbeat of the Tim Tebow Foundation will be expressed and the Most Vulnerable People in our society will experience God's love. It will be a place where every expression of the TTF ministry will come together, and where individuals of all abilities, backgrounds, and circumstances will heal, rest, adventure, serve, and discover true worth and identity...together!

A key differentiator for Rising Light Ridge is offering programs **tailored to promote interactions with, and appreciation of, individuals with differences in ability and experiences.** By bringing together diverse populations, we can help eliminate the feelings of isolation and exclusion, breaking barriers created by fear and misinformation. Those who experience RLR will be equipped and empowered to create lasting change in their lives and in their worlds.

**YOU CAN JOIN US IN REVEALING  
GOD'S LOVE FOR HIS ROYALTY!**

“God gave us this property not for the value of what’s on it, but for the value of who’s on it. People are more valuable than this property will ever be. It is not just a campus, but a calling, to remind every person of their worth in an environment where they can find hope and community.”

- Tim Tebow

## Rising Light Ridge will welcome people all year long by...

- serving boys and girls in camping and retreat experiences accessible to all abilities
- serving youth and adults in animal-assisted programming that offers hope and healing
- serving parents, caregivers, and family members with much needed respite
- serving individuals, teams, and groups through unrestricted recreation and retreat events
- offering an environment to find community and hope through outdoor adventure, personal growth, and meaningful connections
- creating a place of eternal impact

RLR will not have age limits, but rather age-appropriate grouping and related programming, **with no limits based on abilities.**
